ABOUT BMCC

The British Business Centre in Malaysia (BBCiM) is managed by the British Malaysian Chamber of Commerce (BMCC).

Established in 1963, the BMCC has been a catalyst in providing British and Malaysian businesses with networking, knowledge exchange, bilateral trading assistance and support. With 250 top member companies and an outreach of over 50,000 employees, the market expertise at BMCC is unparalleled.

Since 2013, the Chamber has been operating as the UK government's partner to deliver a range of trade services to British SMEs in Malaysia under the Overseas Business Network Initiative (OBNI). Over the past three years the OBNI has helped over 1,000 of these companies to do business in Malaysia.
