overleaf

A conference for Cumbrian farmers to explore how their businesses can become more resilient and profitable at a time of great change.

When?

Thursday 20th November 2025
from 10am to 3.30pm

Where?

Rheged, Redhills, Penrith
CA11 0DQ

CUMBRIA FARMERS CONFERENCE

What?

Farm businesses are facing the biggest change to farm support payments for a generation combined with the threat of changes to Inheritance Tax. How can farmers in Cumbria make their businesses more resilient and profitable and secure a future for the next generation?

This full day conference at Rheged will explore what makes a successful farm business and how farmers can measure performance and implement change. We will also cover succession planning, including the changes to Agricultural Property Relief and explore how to approach difficult conversations within the farming family. We will finish with a session looking at what our next generation of Cumbrian farmers need and with the Westmorland Family speaking about how their suppliers are making a success of their businesses.

When?

Thursday 20th November 2025
from 10am to 3.30pm

Where?

Rheged, Redhills, Penrith CA11 0DQ
