## CUMBRIA GROWTH FUND

---

With almost £3.4m already committed there is still time to apply for grant funding through the Cumbria Growth Fund.

Manufacturing businesses (including artisan producers) or those providing services to manufacturing of any size throughout Cumbria are eligible to apply for funding of between £10,000 and £1m, as are inward investors. Unfortunately start-up businesses are not eligible.

If you're a small or medium sized enterprise (up to 250 full time equivalent employees) a Growth Hub adviser is available free of charge to help with an Expression of Interest and any subsequent application, and to help you access any other relevant support available to you. Contact [debra@cumbriagrowthhub.co.uk](mailto:debra@cumbriagrowthhub.co.uk) or call 0844 257 8450 to arrange.

If you're a larger business please contact [suzanne@cumbriachamber.co.uk](mailto:suzanne@cumbriachamber.co.uk) for more information.

***Cumbria Growth Fund is a Regional Growth Fund programme funded by the Department for Business Energy & Industrial Strategy. The Cumbria Growth Fund is delivered by Cumbria Chamber of Commerce in partnership with CN Media and UNW LLP.***
