

FREE Workplace Accredited Courses

Community Learning and Skills

Community Learning and Skills can offer a range of FREE accredited courses which can be delivered in your workplace. Funded by the UK Government, we can help to upskill your workforce in English, Maths and/or Digital skills. There has never been a better time to take up this opportunity.

What's available?

We are funded to deliver the following Ofqual regulated courses in your workplace:

- GCSE English
- GCSE Maths
- Functional Skills English at Entry 3 / Level 1 / Level 2
- Functional Skills Maths at Entry 3 / Level 1 / Level 2
- Essential Digital Skills at Entry 3 / Level 1

Benefits

- We are flexible with our delivery models to suit your business needs
- We can deliver these courses online or in person, whatever works best for you
- All individuals will complete an initial assessment to identify their starting level
- Our courses support your employees with continuous professional development
- We are an Ofsted rated 'Good' provider employing experienced local Tutors

Cost

The courses are delivered completely free of charge, including awarding body registration and exam fees. Individuals are required to be aged 19 or above on or before 31 August each academic year and eligibility will depend on their prior completed qualifications.

What's next?

Why not contact us for a informal conversation to answer any questions you may have.
